

WRESTLE 4 RELIEF IV

WRESTLE 4 RELIEF IV D'Angelo Foundation

HOLLAND, PA

The Council Rock South Wrestling Booster Club, Team Apache Wrestling Club and the PAWF (Pennsylvania Amateur Wrestling Federation), along with Council Rock School District, recently held WRESTLE 4 RELIEF IV, a charity wrestling tournament that took place on Sunday, October 11th, 2008 at Council Rock South High School in Holland, PA. We are happy to announce that over \$3600 was raised for the D'Angelo Foundation.

The D'Angelo Foundation strives to serve the families in our local community during their time of need. Their mission is to create an easier way for people in need to connect with people who are in a position to help. Currently, the foundation is raising money for three families and Wrestle 4 Relief IV targeted the Czapor Family that resides in the Richboro area in Bucks County. John and Stephani Czapor's oldest son, Chad is currently in his senior year at Council Rock South High School and has been diagnosed with a brain tumor. The Czapor's found a surgeon in New York who specializes in this type of brain tumor, but unfortunately, their insurance will not cover the costs of the surgery.

Brad Silimperi, Club Director of Team Apache and Head Wrestling Coach at Council Rock South High School offers "Including this year's event, our annual 'Wrestle 4 Relief' tournaments have raised over \$17,000 for various charities. We are all extremely excited and proud to have this opportunity each year to help those in need and to give back to our community. We all feel that it's important, not only for us as parents, coaches, etc, but for the kids to realize that they can - and need to - do their part to help make a difference."

"On behalf of the Booster Club and the Coaching Staff, many, many, many thanks to all those individuals who volunteered their time at Wrestle 4 Relief IV." Margaret Rappo, Vice-President of the CR South Wrestling Booster Club said. "Several people worked the entire day, even though they do not have a child in our program. Please know that each and every volunteer contributed to the success of this tournament whether it was the referees, some of whom donated their time, to the athletes competing, to veteran parents who stopped in to help man a table, to those who sent in donations because they couldn't be there." She continued "A special thanks to the wrestlers who helped set up and break down the gym and helping the wonderful people from the PAWF throughout the event. Your efforts have not gone unnoticed. The success of 'Wrestle 4 Relief IV' lies within each of you. The generosity of your time is priceless! Thanks for making a difference!"
