

Dear Parents,

Richboro Elementary School is excited to announce the revamping of the **Principal's Club**. The program is a positive behavior support system that rewards students who follow our Super Spike Credo. Power Paws are frequently given out to students demonstrating the Super Spike Credo, which provides acknowledgement to the student about his/her behavior and gives that student an opportunity to earn additional rewards.

Students who are "caught" following the school-wide Super Spike Credo are given a Power Paw that is redeemed in the main office for a spot in the **Celebrity Book** and a placement on the **Principal's 100 Club** board. Parents will be notified, via email, if your child receives a Power Paw. The contest is similar to BINGO in that the board has numbered squares where a student places his/her name in a square that coincides with a randomly drawn numbered paw. Once an entire row of 10 is filled, those students whose names appear in the winning row of boxes will receive the **Mystery Motivator** reward. The reward could range from lunch with a teacher, homework passes, to tickets to the local movie theatre. Upon completion of a cycle, the board will be wiped clean and the process will start again. The intended result of the **Principal's 100 Club** is increased positive behavior, public acknowledgment for following the school-wide Super Spike Credo, and greater reinforcement of expectations.

A student's behavioral/social success within school can have a strong correlation with their academic success and love of learning. We encourage you to ask your child about the Power Paws and **Principal's 100 Club**. We also believe it is very important to help your child get excited and be proud of their social/behavioral accomplishments, as well as all of their academic accomplishments.

HELP WANTED:

Parents, we are always looking for support and assistance with our Mystery Motivator prizes. If you are willing **OR** know of a vendor or organization that would be willing to contribute items in sets of 10 to our Mystery Motivator prizes, please contact the Main Office. Kindly keep in mind that each Mystery Motivator prize should be given in sets of 10. Prizes could include donation of time (i.e. to run an organized activity), gift certificates, or prizes larger in nature. We would like to avoid small items that could become distracting.

Thank you for your continued partnership and support,

Daneyelle & the RES Staff
