December, 2016

Dear Parents:

In conjunction with the upcoming Martin Luther King Jr. holiday, we are pleased to announce our eleventh annual CR CARES DAY project. We will again capture the sense of giving, community and service that has become synonymous with Council Rock by collecting items for identified shelters, soup kitchens and agencies in Bucks County.

We are asking students who would like, to bring in selected items (as listed on the back of this letter by grade level) to be collected in your school's main lobby. Then on Monday, January 16, 2017 (MLK Day), 6th and 8th grade volunteers will meet at Council Rock High School South from 9:00 a.m. to 10:30 a.m. to assemble care packages for delivery. Due to space restrictions, we are currently limiting the assembly of packages to sixth and eighth grade students only with a maximum of 15 sixth graders from each elementary school and 40 eighth graders.

This activity is strictly voluntary and, because January 16th is a day off from school, this would be a special commitment made by our sixth and eighth grade students. Other students would participate through their voluntary donations of needed items as indicated by the Bucks County Homeless Shelters/food cupboards. School wide collections of items from participating students will be held January 3-12, 2017.

All sixth or eighth grade students interested in volunteering time to work should return the completed permission slip below to their school principals by January 11, 2017.

Thank you for your support of our annual CR CARES, Martin Luther King Day of Service District initiative.

Sincerely,

Susan K. Elliott, Ed. D.
