

HELP! I NEED A VACATION!

Cast Members, please study your lines at home and know your lines before we break for the winter holiday in December. Know the line before yours so you know **when** to say your line. Our rehearsals start at 8:10, so please be on time! We need you at all our practices!

If there is a school delay due to weather conditions our practice will be cancelled. Please check the web for further play announcements!
