

CALLING ALL MATHEMATICIANS in GRADES K and 3-6!

Are you a student who likes to **PLAY GAMES**?
Do you enjoy **USING TECHNOLOGY**?
Would you like to **LEARN** and **HAVE FUN** at the same time?
If the answer is **YES**, then **SIGN UP TODAY** for the
24 GAME: FIRST IN MATH PROGRAM!

- www.firstinmath.com is an easy-to-use, educational website where your child can improve math skills by playing the popular 24 Game online.
- Game play develops and reinforces basic math skills.
- Children proceed at their own pace – mastering problem-solving, computation, critical-thinking and pattern-recognition skills – as they advance through the levels of the program.
- Each child will receive his or her own personal User ID and Password, and instructions will be sent home to you.
- Your child will be able to play the games on any computer with internet access.

Go online together and discover a great learning experience!

- There is a subscription fee (Gr K and 3-6 ONLY) of **\$7.50 per child (cash only, please)**.
- Place payment and permission slip in an envelope labeled: **First in Math – Mrs. Kane**
- Envelopes **MUST** be returned **by Wednesday, 9/9/15.**
- Please contact Anna LaForgia Kane, Newtown's Math Specialist, with any questions (alaforgia@crsd.org).
