AFTER SCHOOL SPORTS PROGRAM

October 11, 2019

Dear Fifth and Sixth Grade Parents,

Council Rock School District offers an After School Sports Program open to all fifth grade and sixth grade students. Your child will develop various skills by participating in their favorite activities. We will also work collaboratively together by playing team sports and game activities. Some sample activities might include: Throwing and dodging activities, soccer, volleyball, basketball, base running games, and flag football. Attending After School Sports is a **privilege** and it is important that students demonstrate the appropriate behavior during this time so all participants can get the most of this experience.

Inappropriate and/or disrespectful behavior will **not** be tolerated. If a student displays such behavior, the parent will be notified at pick up. In the event the child's parent is not present at pick up, then a note will go home the following day. If a second behavioral issue occurs, then the student can no longer participate in the program.

Sneakers MUST be worn for After School Sports in order to participate! Please note: There is NO school nurse present after 4 PM. We will have a First Aid Kit for all minor injuries. Parents will be notified/called for all major incidents.

This program will be held one afternoon per week, per grade. It will begin at 4:00PM and will end promptly at 4:45. Please arrive a few minutes early so that you are there waiting for your child to come out at 4:45. Please be prompt. Students are given a warning after 1 late pick-up (4:55 or later). After 2 late pick-ups (4:55 or later) students may not participate in the program. Carpooling is encouraged!!

Students are picked up at the gym/car rider entrance area! Feel free to STAY in your car and pull up along the curb like parents do for car rider drop-off.

Please check your e-mail in case of a cancellation due to inclement weather! If we need to cancel After School Sports due to inclement weather, parents will be notified via email by 2:00. Look for an email from 5th or 6th grade teachers! The schedule will also be posted on Ms. Manero/Mrs. Gilbert & Ms. Marcus/Ms. Quinn's websites!
