

Rolling Hills will be running three sessions of the Chess Club this year for beginner and advanced chess players! Registration is now being accepted for the Spring Session

Similar to previous sessions, students will participate in group and individual instruction and learn:

- the origin of chess
- the rules of the game
- the moves of the chess pieces
- winning strategies

The instructor for the club will be Roland Yakobashvilli – former Rolling Hills parent, internationally ranked chess master, and former Soviet Chess Champion.

The spring session will meet before school on Tuesday mornings from 8:00-9:00 for an eight-week session from April 2nd through May 28th (excluding April 16th). All students are welcome, but enrollment will be on a first-come, first-serve basis. The cost of program will be \$75.00 and checks can be made out to *Roland Yakobashvilli*. Please complete and submit the bottom of this form along with your check and return them to school by Tuesday March 26th.

Rolling Hills Chess Club

Student Name _____

Teacher _____

Ability Level (circle one): Beginner Advanced
