Dear Holland Elementary School Parents on Hope Road,

Due to the renovation project we have altered the arrival and departure location for those students who walk to and from Hope Road.

There will be a clearly marked path from the end of the Hope Road Path to the school doors near the B-1 Classroom.

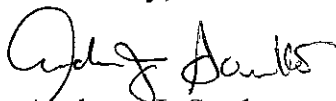

To help insure student safety and eliminate confusion, we will provide adult supervision for the arrival and dismissal of students.

Morning supervision will be from 8:55 – 9:09 AM and Afternoon supervision will be from 3:40 – 3:50 PM.

Please do not hesitate to call me with questions.

Thank you.

Sincerely,

Andrew J. Sanko
Principal
