Spring is finally here! It's time to go bike riding and walking or running. Everyone loves to go outside and enjoy the fresh air in the spring. My mom likes gardening. She just loves digging in the dirt and planting flowers. My dad loves to go golfing. He practices his swing at the driving range. I like to go running. I jog along the path, listening to the music in my ear buds, and waving to the people I pass. Isn't spring time the best!
