**To: CRSD RicipientsCR Email Interruption on Tuesday, Nov. 13**

CR parents/guardians, staff, and community members can expect interrupted district email service on Tuesday, November 13 as the District's IT Department addresses a server connection. The interruption is anticipated to begin at 4:30 PM and could last until 11 PM. The Office of Community Relations will post a reminder message about the gap in email service to both district and school-based website homepages on the day of the interruption. Thank you in advance for your patience, as we work to improve our systems.
