### **Rescheduled November 15 Board Meeting Tonight**

The Council Rock Board of School Directors will hold a meeting tonight, November 29, 2018, at Newtown Middle School in the Auditorium. This is a rescheduled event for the November 15 public session that was canceled due to inclement weather. The meeting, which will begin at 7 PM, will be televised and subsequently posted on the CRSD YouTube channel.

Community members are invited to once again review the Redistricting Presentation that was originally sent out on November 19. All information included in the presentation reflects exact content that would have been delivered publicly at the canceled November 15 Board Meeting. The presentation is currently posted on the Council Rock website and also available for viewing via the CRSD YouTube Channel. Community members can also click on the link below to directly access the presentation.

*Please be advised that the Redistricting Presentation will not be delivered as part of tonight's meeting.* The Board will, however, receive public comment on redistricting and discuss redistricting, as noted in the agenda below.
