Miss Van Kuren

welcome

Welcome to first grade! What an amazing journey we get to embark on together. You will not believe how much your child will grow this year. We have so much planned and we can't wait to get to know you and your family.

a little about me

This year marks my 15th year in the Council Rock School District as a special education teacher. I have taught at Wrightstown Elementary, Richboro Elementary, and Sol Feinstein Elementary. I also coached soccer at Council Rock North High School. I have loved each part of my journey and am happy to have a home here in the classroom at SFE!

I am originally from upstate NY; however, I grew up in Newtown and I am a Council Rock graduate myself. I graduated college from Bloomsburg University with a dual certification in elementary and special education. I earned my masters of education with reading specialist certification shortly after from Cabrini College. I am currently an aunt of a handsome nephew, Chase, and 2 beautiful nieces, Karlee, and Rylee. I love to hang out with friends and family, travel, and watch and play sports.
