

# MEET YOUR teacher!

Hi, there!

Welcome back to school!  
 I'm Jennifer Patricola & I will be your learning support teacher this year! Your homeroom teacher & I will be working together to plan a fun & exciting year for you. Would you believe this is my 19<sup>th</sup> year teaching? As a special education teacher & literacy specialist, I am excited to help you meet your goals & watch your self-confidence grow! I can't wait to hear what you want to accomplish this year! This summer, I spent time with my children, as well as our naughty beagle, Benny. We had a lot of adventures that I can't wait to share with you during writing time. I'm looking forward to getting to know you. We are going to have an AMAZING year!
