CRHS South Peer Mentoring Program

Overview, Responsibilities and Expectations

Overview of Mentoring Program

- Our Peer Mentoring Program goal is to help 9th graders transition into South.
- The bulk of the work is in September through mid-November but some individual mentoring may be ongoing throughout the year.
- Peer Mentors adopt a homeroom along with at least one other Peer Mentor.
- Peer Mentors work cooperatively with the homeroom teacher.
- Peer Mentors make regular visits to their adopted homeroom and run planned activities and/or discussion topics with the freshmen.

Responsibilities/Expectations of a Mentor

- It's a job!--that will require work and commitment. You will be getting LINCS hours for time spent beyond the school day. Mentors **MUST** sign in for every after school activity related to Peer Mentoring. LINCS hours will only be accrued and submitted with signatures on sign-in attendance sheets.
- Mentors **must attend** a mandatory training in late August, before school starts.
- Mentors must check emails regularly to receive messages from Mr. Williams, Mrs. Howard and/or Team Captains.
- If problems arise, Mentors agree to contact Mr. Williams or Mrs. Howard immediately.
- Mentors agree to keep ongoing communication with their Team Captain.
- Mentors are expected to attend an August meeting (10:00-11:00) to plan the 9th Grade Orientation Day.
- Mentors are expected to participate in activities designed to welcome and support incoming freshmen to CR South on the 9th Grade Orientation Day (6:50AM-1:30PM). LINCS hours will be given. (7.5 hours)
- If needed, mentors are expected to attend after school meetings (2:30-3:00) in September - November to discuss how the program is working and troubleshoot any problems.
- Mentors are expected to be positive role models.
- Mentors are expected to continue interactions with freshmen who need additional support throughout the school year.
- Mentors are expected to attend additional training as needed.
- Mentors must be reliable and arrive on time to their assigned homeroom to conduct the scheduled activity/discussion throughout the duration of the program.

I have read the role and responsibilities of a Peer Mentor and agree to reliably fulfill the obligations.
