Dear Parents,

I am writing today in regards to an exciting event. Your children are a very talented group of kids and they did a GREAT job with Joseph and The Amazing Technicolor dream Coat. Every year there is an area wide event at The Children's Hospital of Philadelphia (CHOP) for World Voice Day. It is a really great day. This will be our 5th annual event and it takes place on Sunday 4/14/2019 at CHOP. It promises to be the best and biggest to date. Each year we invite choirs and theater groups to attend and to perform. We have several groups lined up and we are hoping that our cast will be able to join us this year. In return for their performance the students will have the opportunity to participate in all of the activities during the day. These include; master classes on vocal warm ups, phonation/respiration and articulation for the singer, vocal health and nutrition for the performer. In addition, Vetri will be doing an interactive cooking demonstration, the students will get to meet and talk to both amateur and professional performers, there will be a voice over workshop, as well as a panel who will answer any question related to voice and performing, and there will be activity stations set up for hands on fun and learning all about the voice. **There is no fee for the day.**

Below is the pertinent information for the day.

The 5th Annual World Voice Day Event at The Children's Hospital of Philadelphia
Sunday April 14, 2019
9:30 - registration
9:45 - Welcoming remarks
10:00-2:00 The event
2:00 Closing remarks
Food/snacks will be available during the day
There are also food places within walking distance
Parking is under the building and there will be parking passes available

I know it's the start of Spring Break and some of you may be away but we are hoping as many of the cast who is available will be able to come. Please let me know as soon as possible because we need to make sure there are enough t-shirts and water bottles for everyone!!!

Please email me, Paula Barson at paula.barson@comcast.net
LET YOUR VOICE BE HEARD

Please join us for the 5th Annual World Voice Day Celebration presented by Children’s Hospital of Philadelphia’s Pediatric Voice Program

Sunday, April 14
9:30 a.m. – 2 p.m.
Buerger Center for Advanced Pediatric Care

The CHOP Pediatric Voice Program invites you to a special day celebrating the uniqueness of everyone’s voice.

• Enjoy performances by local and regional choirs and musical theater programs
• Learn fun facts about the voice box, voice hygiene and singing
• Participate in activities including master classes, activity stations, a Vetri Foundation cooking demonstration and more
• Meet special guests
• Mingle with Dr. Karen Zur and the Pediatric Voice Program team

We look forward to seeing you and your family at our celebration!

RSVP by Friday, March 29, to Paula Barson at barson@email.chop.edu or at voiceday.eventbrite.com. Please include the first and last name, age, dietary restrictions, and email address of all who will be attending.

Registration will be in the Buerger Center lobby.
