

MEET *the* TEACHER

welcome!

Hello! My name is Kristin Mangan. I'm so excited to be your child's special education teacher this year! This will be my 7th year at Wrightstown Elementary School. Prior to teaching in Council Rock, I taught in other districts in Pennsylvania and Alabama.

I recognize that teaching your child is a tremendous responsibility and I will do my best to ensure that your child has a happy and productive learning experience in the classroom. It is important that we are partners in the learning process to help your child achieve his or her potential.

Together we can make sure that your child will have an enjoyable and successful school year!

education

I received my Bachelor degree in Elementary and Special Education from Elon University in North Carolina.

I also have a Masters degree in Special Education from The University of Alabama at Birmingham.
