

MEET *the* TEACHER

welcome!

Hi! My name is Kelli Matteo and I will be your child's special education teacher this year. I am returning from maternity leave with my 3rd baby, Dominic, who was born last July. I have another son, James, he is 3. My oldest, Alexis, turned 5 in July. I'm excited to come back this year but sad to leave them. I look forward to meeting your child and getting to build a relationship with them this school year. The most important thing for me as their teacher is for you to know that you and I are a team. We are working together to make sure we have the greatest level of success for your child as they grow as a student this year. Please never hesitate to reach out to me with any questions or concerns that arise throughout the year.

education

I have my Bachelor degree in Elementary and Special Education from Temple University and my Master's degree in Special Education from LaSalle University.
