KINDERGARTEN SUPPLY LIST

2021-2022

We have a supply box in our classroom for each kiddo, so no need to send one in. The supplies below just fit in our supply boxes, so sending extra isn't necessary. Please label everything with your kiddos first name. Anything found in the classroom can easily be returned if it's labeled.

***Fat washable markers** – 10 pack

***Crayons** – 24 pack

***Regular pencils** - 3, sharpened

***Colored pencils** – 12 pack

***Scissors** - kids sized

***Glue stick** – 1, white glue please, not purple

***Over-the-ear headphones** – Try these out at home. We'll use these every day, so please be sure they are comfortable. Plug in, not Bluetooth. Ear buds don't usually work out for Kindergarten kiddos.

***Full size backpack** – Big enough to fit a folder, lying flat.

***Snack bag or pouch** – big enough for a small snack and a drink

***Refillable water bottle** – leakproof, flip-top works best. We encourage the kids to hydrate after recess.

***1 Family-sized box of tissues** - AM Class only

***Bottle of hand sanitizer** - AM class only

***1 Roll of paper towels** - PM class only

***1 Pack of baby wipes** - PM class only

***Optional:** A few non-perishable snacks - We'll add these to our "snack box" for days when kiddos forget to bring a snack. Individually wrapped pretzels or fruit chews are what we usually buy. Think small, non-perishable and kind of healthy. :)

Thank you so much!
Sue McDonald
