Winter Track & Field - Varsity

◆ Spring Season

Lacrosse - Varsity, JV
Softball - Varsity, JV
Spring Track & Field - Varsity, JV

INFORMATION FOR ATHLETES

Council Rock High School
South
Department of Athletics

Team Work Builds Pride in School and Self

As an athlete at Council Rock High School South, you have responsibilities to your team and school. You assume a leadership role when you are on an athletic squad. The student body and citizens of the community know you and judge our school by your conduct and by your attitudes both on and off the field. You can contribute greatly to school spirit and community pride.

REQUIREMENTS FOR PARTICIPATION

1. Council Rock School District Athletic Participation Packet signed by parent and student.
2. PIAA Comprehensive Physical Form completed by a physician and on file.
3. All PIAA eligibility requirements satisfied.

GENERAL REGULATIONS PERTAINING TO ATHLETICS

The school administrators and coaching staff at CR South feel maintaining a sound program of athletics is important to enforce all regulations. A firm and fair policy is necessary for our teams to function efficiently and for our student-athletes to be successful.

- ◆ Athletes should be at all practices. Sudden illness or some other emergency may occur in a rare instance whereupon the athlete must inform his/her coach or the Athletic Director before missing practice. If a student is marked absent from school, he/she cannot participate or attend practice.
- ◆ A student must have a minimum of one-half day of attendance in school to participate in student activities. If a student signs in late, he/she must arrive at 10:45AM in order to be eligible to participate, unless approval has been obtained from administration.
- ◆ All athletes must travel to and from athletic contests in transportation provided by the school. All regular bus rules will be followed.
- ◆ On occasion, an athlete may find it necessary to drop a sport. If this is the case, talk to the head coach and return all equipment issued. If an athlete wishes to change sports during the season, he/she must receive approval of both coaches and the Athletic Director.

- ◆ Students are responsible for all equipment issued to them. Equipment must not be traded or lent to any other team member. At the end of the season, it is the student's responsibility to return all equipment to the Equipment Manager. Athletes will be held financially responsible for all unreturned equipment. Students that are delinquent in returning unreturned equipment will be subject to financial obligation.
- ◆ There will be no use of drugs and/or alcohol on school property or during school sponsored games/activities/practices. Any infraction shall be reported to the Principal and Athletic Director and shall be considered the basis for suspension and/or recommendation for expulsion.
- ◆ See the Drug and Alcohol Policy and the Hazing Policy in the Student Handbook. Each coach will discuss this policy with student-athletes and add necessary details.

CONDUCT OF AN ATHLETE

The conduct of an athlete is closely observed in many ways.

1. **On the Field** - In the area of competition, a real athlete does not use profanity or illegal tactics. Also he/she is gracious in defeat and humble in victory. During competition, an athlete should display good sportsmanship and should not distract or taunt competitors or fans.
2. **In the Classroom** - A good athlete strives to be a good student. If you are lazy in class, you will never reach your full potential. Most of all, an athlete should give respectful attention to classroom activities.
3. **On the Campus** - The way we act and look on campus is of great importance. "He shows up best that shows off least." Appearance, expression and actions always influence people's opinions of athletes, of the team, and of the school. Once you have volunteered to be a member of a squad, you have made a choice to uphold certain standards expected of athletes in the community.

It is the role of the Department of Athletics to make rules that are governed by the Pennsylvania Interscholastic Athletic Association and the Suburban One League. Lastly, it is the Department's hope to maintain a program that will provide memorable, enriching life experiences and will further each student's educational maturity.
