

## **Adopt a Highway Program**

South's Green Team adopted a 2 mile stretch of Bristol Road (from Murray Road to 2<sup>nd</sup> Street Pike).

**Let's work together!**

If you are interested in helping to clean the road, contact Renee Devlin at [rdevlin@crsd.org](mailto:rdevlin@crsd.org). Girl Scouts, Cub Scouts or any other group interested in community service can help. Your group must be at least 10 years old and have adult chaperones. Emergency forms, a safety video, gloves and road signs will be provided by PennDOT.
