RE: Computers and Nutanix Bid 21-34
DATE: June 2, 2021

Below are the responses to Requests for Information as of June 2, 2021:

Q. Will the Chromebook will be a bulk buy or a rollout?

A. Bulk purchase initially. We may need additional units later in the year.

Q. If the Chromebook will be a rollout; can you please provide what the minimum first order would be?

A. 4000 is the planned initial order.

Q. What is the District's current brand preference?

A. We have none.

Q. Can you provide previous bid tabs?

A. The information is available on our web site.

Q. Would 4GB RAM be acceptable on the chromebook? There are very few 8GB options available in an 11" clamshell non-touch. Most 8GB models are either convertible touch screen units or 14" screens marketed as teacher devices.

A. We would prefer 8 but if 4 is all that is available, then specify 4.

Q. Confirming the fact the bid calls for a 4 year ADP warranty on the desktops.

A. Yes.

Q. In regards to the warranty request, I am taking the wording as you would like OEM manufacturer warranty and not reseller self-branded warranty.

A. If we purchase a product from a company, that company is responsible for it until it's retired, regardless of who actually performs the warrantee work.

Please submit an electronic copy of your bid proposal clearly marked "Computer and Nutanix Bid 21-34" on or before 9:00 AM Thursday, June 3, 2021 to the following:
