AP Deutsch

Sommerpaket 2014

The AP German exam is designed to test your language proficiency...your ability to use the German language to speak, listen, read and write. All the grammar concepts and vocab lists you've learned thus far will not be tested in *isolated* fashion but *every* German experience you have had will be integrated into your level of *proficiency*. The very best thing you can do for yourself this summer is to grow your personal *vocabulary* and develop your *listening* skills.

The AP German Exam is a *proficiency* based exam, not an achievement based exam.

The College Board has made significant changes to the AP Exam and course beginning in the Fall of 2011. May 2015's exam will be the fourth one in the new format. If you know someone who has taken the exam prior to 2012, you cannot rely on their description of what to expect. The old exam is significantly different than the new one.

The New AP Course is designed around the following 6 themes:

Global Challenges / Globalisierung

Science and Technology / Naturwissenschaft und Technologie

Contemporary Life / Alltag

Personal and Public Identities / Persönliche und Öffentliche Identität

Families and Communities / Familie und Gemeinschaft

Beauty and Aesthetics / Schönheit und Ästhetik

There are 10 weeks this summer vacation – the weeks beginning:

June 23, June 30, July 7, July 14, July 21, Jul 28, Aug 4, Aug 11, Aug 18, Aug 25

You should assign each of the six themes above to any six weeks in the summer. It's best if you spread it out to keep your skills in use. During that week you will develop a list of 10 personal vocab words relating to that theme, and of course *learn* them. New words please. Not German I - IV vocab. Make them pertinent and helpful for expressing yourself on the given theme. You can explore sources such as books, magazines, German TV shows if available (German TV packages are available for \$ on Verizon and Dish Network), online sources (lots of German TV shows can be found online), etc.

You will also view and summarize (auf Deutsch) two video clips from www.Spiegel.de on the same theme. This an authentic German news website. Record your information in the charts provided. You may view the video clips as many times as you need to in order to understand them well enough to write about them!

This packet should be ready to turn in on the first day of school. It will be your first grade in AP German (approximately 90 points).
