

Council Rock School District Athletic Participation Packet

******(Please read the following instructions carefully to avoid having your forms rejected)******

SECTION 1: PERSONAL AND EMERGENCY INFORMATION

Please read the entire page carefully, and complete the entire form. Be sure to include a secondary emergency contact, in case either parent cannot be reached. Also include any known allergies or medications being taken. This form must be completed in its entirety.

SECTION 2: CERTIFICATION OF PARENT/GUARDIAN

PIAA Parent's/Guardian's Certificate (back) Please read and completely fill out this form. There are 4 blanks in the top section that need to be completed. The parent or guardian must sign next to the appropriate sport. If your student plans on participating in more than one season the parent must sign next to each applicable sport. Finally, **There are 5 sections that need to be read and signed by a parent or guardian.**

SECTION 3 & 4: UNDERSTANDING OF RISK OF CONCUSSION AND TRAUMATIC BRAIN INJURY & UNDERSTANDING OF SUDDEN CARDIAC ARREST SYMPTOMS AND WARNING SIGNS

Council Rock School District and the P.I.A.A. take the risk of and prevention of traumatic brain injury and Sudden Cardiac Arrest very seriously. The biggest way to limit the risk of injury is through education. Please read these informational sheets. There are also concussion education programs offered each sports season throughout the district, please use the contact information below to find out dates and times. **The parent and student must sign these forms.**

SECTION 5: HEALTH HISTORY

Parent and student should complete this page. Please carefully read each question and answer them to the best of your knowledge. It is very important for the health and safety of your athlete that this form is filled out properly. **The parent and student must sign this form.**

SECTION 6: PRE-PARTICIPATION PHYSICAL EVALUATION AND CERTIFICATION OF AUTHORIZED MEDICAL EXAMINER

Once your Authorized Medical Examiner has completed the pre-participation physical they should note any concerns in the appropriate section. They must then select your athlete's level of clearance, sign, and date the form. *****Forms without a date will not be accepted.*** Electronic signatures on the physicians office form are NOT acceptable. The physicals for the school calendar year may not be completed any earlier than June 1st.**

APPENDIX 1: COUNCIL ROCK SCHOOL DISTRICT CO-CURRICULAR REGULATIONS

Parent and student should read this form completely. **Both parent and student must sign the form.** Please print the athlete's name clearly on the appropriate line, and be sure to include sport and grade.

APPENDIX 2: ATHLETIC DEPARTMENT ELIGIBILITY

Athletic Department Eligibility Form (front) Parent and student should read this form carefully and complete it.

Please print clearly as we have to transfer this information to other forms. Both parent and student must date and sign the form. If an athlete shows up for the first day of practice without these forms completed correctly they will not be allowed to participate until they are.

QUESTIONS?

If your child is attending one of the high schools, questions regarding the pre-participation packet should be directed as follows: Physical and medical history questions should be directed to the athletic trainer at your school, CR-North at 215-944-1368 or CR-South at 215-944-1185. Questions about any other part of the packet should be directed to the athletic department at your school, CR-North 215-944-1314 or CR-South 215-944-1103.

If your child is attending one of the middle schools, and you have any questions about the pre-participation packet, please contact the Athletic Office at your school.

Revised 4/16

**PIAA COMPREHENSIVE INITIAL
PRE-PARTICIPATION PHYSICAL EVALUATION**

INITIAL EVALUATION: Prior to any student participating in Practices, Inter-School Practices, Scrimmages, and/or Contests, at any PIAA member school in any school year, the student is required to (1) complete a Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE); and (2) have the appropriate person(s) complete the first six Sections of the CIPPE Form. Upon completion of Sections 1 and 2 by the parent/guardian; Sections 3, 4, and 5 by the student and parent/guardian; and Section 6 by an Authorized Medical Examiner (AME), those Sections must be turned in to the Principal, or the Principal's designee, of the student's school for retention by the school. The CIPPE may not be authorized earlier than **June 1st** and shall be effective, regardless of when performed during a school year, until the next May 31st.

SUBSEQUENT SPORT(S) IN THE SAME SCHOOL YEAR: Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests in subsequent sport(s) in the same school year, must complete Section 7 of this form and must turn in that Section to the Principal, or Principal's designee, of his or her school. The Principal, or the Principal's designee, will then determine whether Section 8 need be completed.

B. **Understanding of eligibility rules:** I hereby acknowledge that I am familiar with the requirements of PIAA concerning the eligibility of students at PIAA member schools to participate in Inter-School Practices, Scrimmages, and/or Contests involving PIAA member schools. Such requirements, which are posted on the PIAA Web site at www.piaa.org, include, but are not necessarily limited to age, amateur status, school attendance, health, transfer from one school to another, season and out-of-season rules and regulations, semesters of attendance, seasons of sports participation, and academic performance.

Parent's/Guardian's Signature _____ Date ____/____/____

C. **Disclosure of records needed to determine eligibility:** To enable PIAA to determine whether the herein named student is eligible to participate in interscholastic athletics involving PIAA member schools, I hereby consent to the release to PIAA of any and all portions of school record files, beginning with the seventh grade, of the herein named student specifically including, without limiting the generality of the foregoing, birth and age records, name and residence address of parent(s) or guardian(s), residence address of the student, health records, academic work completed, grades received, and attendance data.

Parent's/Guardian's Signature _____ Date ____/____/____

D. **Permission to use name, likeness, and athletic information:** I consent to PIAA's use of the herein named student's name, likeness, and athletically related information in video broadcasts and re-broadcasts, webcasts and reports of Inter-School Practices, Scrimmages, and/or Contests, promotional literature of the Association, and other materials and releases related to interscholastic athletics.

Parent's/Guardian's Signature _____ Date ____/____/____

E. **Permission to administer emergency medical care:** I consent for an emergency medical care provider to administer any emergency medical care deemed advisable to the welfare of the herein named student while the student is practicing for or participating in Inter-School Practices, Scrimmages, and/or Contests. Further, this authorization permits, if reasonable efforts to contact me have been unsuccessful, physicians to hospitalize, secure appropriate consultation, to order injections, anesthesia (local, general, or both) or surgery for the herein named student. I hereby agree to pay for physicians' and/or surgeons' fees, hospital charges, and related expenses for such emergency medical care. I further give permission to the school's athletic administration, coaches and medical staff to consult with the Authorized Medical Professional who executes Section 6 regarding a medical condition or injury to the herein named student.

Parent's/Guardian's Signature _____ Date ____/____/____

F. **CONFIDENTIALITY:** The information on this CIPPE shall be treated as confidential by school personnel. It may be used by the school's athletic administration, coaches and medical staff to determine athletic eligibility, to identify medical conditions and injuries, and to promote safety and injury prevention. In the event of an emergency, the information contained in this CIPPE may be shared with emergency medical personnel. Information about an injury or medical condition will not be shared with the public or media without written consent of the parent(s) or guardian(s).

Parent's/Guardian's Signature _____ Date ____/____/____

SECTION 3: UNDERSTANDING OF RISK OF CONCUSSION AND TRAUMATIC BRAIN INJURY

What is a concussion?

A concussion is a brain injury that:

- Is caused by a bump, blow, or jolt to the head or body.
- Can change the way a student's brain normally works.
- Can occur during Practices and/or Contests in any sport.
- Can happen even if a student has not lost consciousness.
- Can be serious even if a student has just been "dinged" or "had their bell rung."

All concussions are serious. A concussion can affect a student's ability to do schoolwork and other activities (such as playing video games, working on a computer, studying, driving, or exercising). Most students with a concussion get better, but it is important to give the concussed student's brain time to heal.

What are the symptoms of a concussion?

Concussions cannot be seen; however, in a potentially concussed student, **one or more** of the symptoms listed below may become apparent and/or that the student "doesn't feel right" soon after, a few days after, or even weeks after the injury.

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Bothered by light or noise
- Feeling sluggish, hazy, foggy, or groggy
- Difficulty paying attention
- Memory problems
- Confusion

What should students do if they believe that they or someone else may have a concussion?

- **Students feeling any of the symptoms set forth above should immediately tell their Coach and their parents.** Also, if they notice any teammate evidencing such symptoms, they should immediately tell their Coach.
- **The student should be evaluated.** A licensed physician of medicine or osteopathic medicine (MD or DO), sufficiently familiar with current concussion management, should examine the student, determine whether the student has a concussion, and determine when the student is cleared to return to participate in interscholastic athletics.
- **Concussed students should give themselves time to get better.** If a student has sustained a concussion, the student's brain needs time to heal. While a concussed student's brain is still healing, that student is much more likely to have another concussion. Repeat concussions can increase the time it takes for an already concussed student to recover and may cause more damage to that student's brain. Such damage can have long term consequences. It is important that a concussed student rest and not return to play until the student receives permission from an MD or DO, sufficiently familiar with current concussion management, that the student is symptom-free.

How can students prevent a concussion? Every sport is different, but there are steps students can take to protect themselves.

- Use the proper sports equipment, including personal protective equipment. For equipment to properly protect a student, it must be:
 - The right equipment for the sport, position, or activity;
 - Worn correctly and the correct size and fit; and
 - Used every time the student Practices and/or competes.
- Follow the Coach's rules for safety and the rules of the sport.
- Practice good sportsmanship at all times.

If a student believes they may have a concussion: Don't hide it. Report it. Take time to recover.

I hereby acknowledge that I am familiar with the nature and risk of concussion and traumatic brain injury while participating in interscholastic athletics, including the risks associated with continuing to compete after a concussion or traumatic brain injury.

SECTION 4: UNDERSTANDING OF SUDDEN CARDIAC ARREST SYMPTOMS AND WARNING SIGNS

What is sudden cardiac arrest?

Sudden cardiac arrest (SCA) is when the heart stops beating, suddenly and unexpectedly. When this happens blood stops flowing to the brain and other vital organs. SCA is NOT a heart attack. A heart attack may cause SCA, but they are not the same. A heart attack is caused by a blockage that stops the flow of blood to the heart. SCA is a malfunction in the heart's electrical system, causing the heart to suddenly stop beating.

How common is sudden cardiac arrest in the United States?

There are about 300,000 cardiac arrests outside hospitals each year. About 2,000 patients under 25 die of SCA each year.

Are there warning signs?

Although SCA happens unexpectedly, some people may have signs or symptoms, such as:

- dizziness
- lightheadedness
- shortness of breath
- difficulty breathing
- racing or fluttering heartbeat (palpitations)
- syncope (fainting)
- fatigue (extreme tiredness)
- weakness
- nausea
- vomiting
- chest pains

These symptoms can be unclear and confusing in athletes. Often, people confuse these warning signs with physical exhaustion. SCA can be prevented if the underlying causes can be diagnosed and treated.

What are the risks of practicing or playing after experiencing these symptoms?

There are risks associated with continuing to practice or play after experiencing these symptoms. When the heart stops, so does the blood that flows to the brain and other vital organs. Death or permanent brain damage can occur in just a few minutes. Most people who have SCA die from it.

Act 59 – the Sudden Cardiac Arrest Prevention Act (the Act)

The Act is intended to keep student-athletes safe while practicing or playing. The requirements of the Act are:

Information about SCA symptoms and warning signs.

- Every student-athlete and their parent or guardian must read and sign this form. It must be returned to the school before participation in any athletic activity. A new form must be signed and returned each school year.
- Schools may *also* hold informational meetings. The meetings can occur before each athletic season. Meetings may include student-athletes, parents, coaches and school officials. Schools may also want to include doctors, nurses, and athletic trainers.

Removal from play/return to play

- Any student-athlete who has signs or symptoms of SCA must be removed from play. The symptoms can happen before, during, or after activity. Play includes all athletic activity.
- Before returning to play, the athlete must be evaluated. Clearance to return to play must be in writing. The evaluation must be performed by a licensed physician, certified registered nurse practitioner, or cardiologist (heart doctor). The licensed physician or certified registered nurse practitioner may consult any other licensed or certified medical professionals.

I have reviewed and understand the symptoms and warning signs of SCA.

APPENDIX 1: Council Rock School District Co-Curricular Regulations

The Council Rock School District believes that students who have the privilege and benefit of membership in school sponsored co-curricular programs should conduct themselves as responsible representatives of the school and district. In order to assure this conduct, coaches, advisors, and sponsors enforce these Council Rock School District Co-Curricular Regulations, which includes all policies and procedures established by Council Rock. Members of teams and organizations must always serve as models of high character and must demonstrate appropriate academic commitment, which is expected from all students. As recognized representatives of their school, members are expected to exhibit appropriate behavior during the season (activity) or out of season, in uniform or out of uniform, on campus (school grounds) or off campus (school grounds.) Furthermore, members of teams and organizations who fail to abide by these regulations are subject to disciplinary action, which may include dismissal from the team and/or activity.

The opportunity to participate in the Council Rock co-curricular program is extended to all students who are willing to assume responsibilities as outlined in these regulations. Any student participating in a co-curricular program must, along with their parents/guardians, sign this agreement to follow these regulations. These regulations are not meant to usurp or restrict the responsibility of parents. The Council Rock School District feels very strongly that parents must monitor their own children’s behavior and impose their own disciplinary measures beyond those consequences that may be imposed by the school.

Student responsibilities, in addition to the expectations stated above:

- 1- Abide by all policies, rules and regulations of the district, the school, and the program.
- 2- Adhere to all eligibility requirements.
- 3- Complete all the necessary paperwork / permission forms.
- 4- Care for and return all issued equipment, supplies and materials.

I have read and understand the provisions and expectations of the Council Rock School District Co-Curricular Regulations. As a student, I vow to adhere to these regulations with an understanding that any violation may jeopardize my participation. As the parent, I will hold my child accountable to the provisions of these regulations.
