MealpayPlus Provides Convenience and Information to Manage School Lunch Accounts

Council Rock School District is happy to offer MealpayPlus (www.mealpayplus.com), a state-of-the-art online service that provides you the convenience and information you need to manage your student's account. This system allows you to make payments toward meals, speeds up serving lines in the cafeteria, eliminates the worry about lost or forgotten lunch money, and ensures that your child will receive a nutritious meal.

MealpayPlus also allows you to:

- Create a **free**, secured account to **manage all of your student's** lunch accounts
- **Check** your student's current account **balance**
- **Monitor** the items your student has been **purchasing** in the cafeteria
- Create settings to **receive email notifications** when the account reaches a low balance
- **Make a prepayment** into your student's account using a check, credit card, or debit card at www.mealpayplus.com or by calling **877-798-6815**. Funds deposited through MealpayPlus are usually available for student use within 24 to 48 hours. A program fee of 4.75% applies to payments made through Mealpay Plus. You may prefer to send payments directly to the school cafeteria. **Payments made by sending a check to your child's school cafeteria never incur any fees while still allowing you to use the features of the site for free.**

If you choose to make payments or check lunchroom balances via phone, a toll-free number has been created for our district (**877-798-6815**). **Payments made by phone are also subject to the program fee.**

To create a new account, visit www.mealpayplus.com. Follow the onscreen directions and register your student using their **Student ID number**. Your student ID number is the same as your student's PIN and can also be found on previous report cards. We encourage you to visit www.mealpayplus.com or call **877-798-6815** today.
