Newtown Middle School Demographic Update

Dear NMS Community,

It is very important that we maintain the most up-to-date student information in our systems. I kindly ask that you make every effort to review and submit this form for each of your children.

You may do so by logging into the Home Access System at <https://hac.crsd.org/homeaccess> or by going to the Newtown Middle School website and clicking on the Home Access Center link located at the bottom of the home page.

Once logged in, please click on the Registration ICON and then the Update Registration tab. Follow the instructions on this page to access the form.

If you need assistance, please email Registration@crsd.org

Thank you for your time and attention to this important matter.

Have a great day.

Sincerely,

Tim Long
