

Online Absence Reporting @ M.M.W. Elementary School

You may send absence excuse messages for your child(ren) through our website. Below is the procedure for getting started. For security reasons, you first need to register with the CR website. Here are the directions:

Go to www.crsd.org.

Click on the "Register" button in the upper right hand corner of this homepage.

Complete the quick and easy registration process. Note: Your birth date is required to confirm that you are not a child. This information is not sent anywhere or used for any other purpose. Also, you are only required to complete the fields with an asterisk(*) on the registration screen.

Once you are registered, you may send in your child's absence notifications by completing our online form, as follows:

1. Go to www.crsd.org.
2. Click on the "Sign in" button in the upper right hand corner of the district homepage.
3. Type the "Sign-in Name" and password you entered during registration.
4. Choose our school from the drop-menu.
5. Click on "Student Absence Notification Form" under Site Shortcuts.
6. Fill in the necessary information and click "Done". Your information will be sent instantly and securely to the office for attendance/absence accounting.

This online method of reporting your child's absence or tardiness is an option, not a requirement. You may continue to send in excuse notes in paper form if your wish.

Thank you!
