Task

Your task for this project is to research 4/8 unusual activities and games listed below and make an outline of all the skills necessary to teach that activity. Be sure to include the following:
1. A brief history or origin of each game
2. A brief explanation of each game (basic rules and how the game is played)
3. A picture (or pictures) of the game

You will then choose your favorite game and design an 8 lesson unit plan to be taught in Physical Education class.

Research 4 of the 8 games listed below:
Ga-Ga Ball Slam Ball
Jorkyball Korfball
Petanque Skittles
Snooker Torball

Process
1. Research 4 games.
2. Create an 18 slide PowerPoint presentation outlining the information found on 4 games and be sure to include the following:
   a. A colorful title slide. (1 slide)
   b. A detailed explanation of each game including; a brief history or origin, brief explanation of each game, and pictures of the game. (12 slides – 3 slides per game)
3. Choose 1 of the 4 games you researched, and develop a Unit Plan that includes 8 lessons that you would like to teach to your Physical Education Class. Be sure to include the following in your 8 lessons:
   a. Introduction to your game, review of rules, skill development, lead-up games, actual games. You may also add any additional lessons or activities you may come up with (tournaments, etc.). (5 slides)
