June 2018

Dear Parents:

Your child is scheduled to receive a high school diploma from the Council Rock School District and special education services will be discontinued. Enclosed please find two copies of the Notice of Recommended Educational Placement (NOREP) form reflecting this change of placement to Graduation. **Please sign and return** one copy in the envelope provided; retain the other copy for your records. Also included for your records is the most recent Summary of Academic Performance for your child, along with a list of accommodations utilized during senior year.

If you wish to review your child's high school transcript, please contact the counselor at the high school. The high school transcript consists of final grades in every course taken in grades 9-12. Further explanation of course titles will be given upon authorized request.

After graduation, the following documents will be archived: the last formal evaluation(s), i.e., psychological, psychiatric, neurological, etc., and the final Individualized Education Plan (IEP), Notice of Recommended Educational Placement and Evaluation/Reevaluation Report (ER/RR). All other records will be destroyed two years following graduation (June 2020).

If you have any questions concerning the aforementioned items, please do not hesitate to contact me at 215-944-1079.

We, in Special Services, wish your child well in any future plans. Thank you for your prompt attention to this matter.

Sincerely,

Patty Eichert
Supervisor of Special Education
